The

MORI Staple Remover

is a versatile tool at any place where staples cartons are being opened.

The MORI Staple Remover does the job easily and quickly. It is an indispensable tool belongs in every packing and unpacking room.

The lower part of this handy tool serves as good support for the lever action. The staple is well pinched during removal. The lifting knife is tiltable to remove narrow and also large staples.

Material: zinc coated metal.

Dimensions: 120 x 50 x 114 mm,
Weight 145 gr.

- Cartons stapled with MG[®] staples keep well their shape and can be better piled.
- Cartons from which the staples have been removed with the MORI can be used again.
- The MORI prevents injuries when unpacking stapled cartons.
